

## REMARKS

### The Amendments

Claims 1 and 2 are amended to correct an inadvertent error in failing to include the definition of "carbocyclic" in R<sup>1</sup>. Support for this correction is clear from the disclosure at page 1, line 10, for example, and in the dependent claims which included the particular "phenyl" group for R<sup>1</sup>; e.g., claim 3. Non-elected claim 14 has also been cancelled. Applicants maintain their previous remarks in the Reply filed September 12, 2006.

The Commissioner is hereby authorized to charge any fees associated with this response or credit any overpayment to Deposit Account No. 13-3402.

Respectfully submitted,

  
John A. Sopp
